Denture Diasters and How I Got Out of Them!

Denture Disasters and How I Got Out of Them!

This day is designed for all experiences of dentists (from FDs to experienced GDPs), prosthodontists, clinical dental technicians, dental technicians, dental nurses and other interested members of the dental team.

Seminar Overview

This engaging and educational one day seminar will dive into the world of dentures, showing Fin's patient cases that went awry and the innovative solutions implemented to resolve them.

Fin's Failures will provide attendees with a wealth of practical knowledge, cautionary tales, and problem-solving strategies related to denture fabrication and fitting. This seminar promises to be not only informative but also highly entertaining, making it a memorable learning experience.
